Complaint for Damages 1

Harold Karlsvik, P.S.
P.O. Box 292
South Bend, WA 98586
1 (360) 942-4612

COMES NOW the plaintiff, QUENTIN M. PARKER AND KATHERINE R. PARKER, husband and wife and the marital community composed thereof, by and through their attorney, HAROLD KARLSVIK, Attorney at Law, and for federal and state claims against the defendants, allege and complain as follows:

I. INTRODUCTION

1.1 Quentin M. Parker is a 32-year-old man who enlisted in the United States Army on/or about July 1, 2015. Mr. Parker's intent was to establish a lifelong career serving and protecting his country. At the time of these alleged cause of actions, Mr. Parker was an active-duty soldier stationed at the Joint Base Lewis McChord in the State of Washington. Katherine Parker, his wife is his sole dependent.

1.2 The State of Washington allowed Washington State Patrol Detective(s) Carlos Rodriguez, Kristi Pohl, Darrell Noyes, Travis Calton, Maurice Rincon, William Steen, James, Taylor and other enforcement personnel to conduct rogue “Net Nanny” sting operations throughout the state under the Missing and Exploited Children’s Task Force, hereafter (MECTF).

1.3 The Washington State Patrol task force (MECTF) partnered with Operation Underground Railroad, Inc., a private non-profit group anchored out of the State of Utah, conducting business throughout 25 states including Washington and the state of California.

1.4 Detective Sergeant Carlos Rodriguez, on the behalf of the Washington State Patrol and his (MECTF) team partnered with the Operation Underground Railroad, and other law enforcement agencies to run an unfettered operation of entrapping, arresting and maliciously prosecuting men, specifically Mr. Parker, throughout the state of Washington.

1 1.5 Once these men were arrested, the Washington State Patrol, Detective Sergeant
2 Rodriguez and the Operation Underground Railroad went on a public campaign to discredit and
3 slander the accused by calling them “Dangerous Sexual Predators who targeted Children” prior
4 to any convictions of the alleged crimes that were created in the minds of law enforcement.

5 1.6 The Washington State Patrol and the Operation Underground Railroad continued
6 to post and/or leave slanderous statements posted about defendants even after several defendants
7 were acquitted or cases were dismissed by county prosecutors.

8 1.7 Due to the actions of the defendants, Mr. Parker was arrested, charged, and
9 maliciously prosecuted in Thurston County, Washington for seeking and responding to a social
10 media ad offering the **legal activity of (DDLG)** a form of KINK, an acceptable alternative
11 lifestyle among consenting adults.

13 1.8 All defendants knew or should have known that by allowing the Net Nanny Sting
14 Operation to cast such a wide unchecked, unfettered “net” that innocent citizens of the State of
15 Washington could and would be entrapped in their haste to boost the taskforce arrest numbers.

16 1.9 These bolstered arrest numbers were utilized for the benefit of the Washington
17 State Patrol and their taskforce partners the Operation Underground Railroad, Inc., claiming to
18 have saved children, in efforts to increase donor support and increase donor contributions.

20 1.10 Innocent citizens of the State of Washington have been misled by the effort of
21 defendants to utilize the sound bite of “raping children” as a method to eliminate any fairness to
22 the victims that were maliciously prosecuted, and their lives destroyed by the actions of all
23 defendants.

24 //

1.11 Mr. Parker was incarcerated in the Thurston County Jail, had his name posted in news releases, Washington State Patrol press release, Operation Underground Railroads' press release and online social media postings. His life and future are forever tainted and destroyed by the actions of all defendants.

IV. FACTS

Plaintiffs realleges 1.1 through 3.17 and incorporates them herein by this reference.

4.1 Washington State Patrol Detective Sergeant (Sgt.) Carlos Rodriguez was the supervising detective of the Missing and Exploited Children's Task Force (MECTF).

4.2 The MECTF task force was created to provide back-up assistance to law enforcement agencies investigating sexual exploitation crimes against children.

4.3 Under the MECTF unit Detective Sergeant (Sgt.) Carlos Rodriguez created the Net Nanny Sting Operation with its first sting conducted in 2015 termed Net Nanny 1.

4.4 The Net Nanny sting operation utilized Washington State Patrol Detectives, Troopers and enlisted other law enforcement personnel from federal and local jurisdictions.

4.5 The undercover scheme was to create ads in adult social media websites by creating profiles of adult women to include their age and photographs to meet the terms and conditions of the social medial website.

4.6 The MECTF team would utilize creative trained techniques to evade the rules and walk a tight line between a ruse and all-out entrapment by luring unsuspecting men off the social media platform to private text messaging with an undercover officer.

4.7 This luring allowed the MECTF team to talk dirty and use suggestive language in effort to entrap men into saying and doing things that they might not otherwise say or do.

4.8 The primary focus was to increase arrest numbers under the selling “sound-bite” that the MECTE proactive sting operations were “*saving children from being raped*”, but the reality

1 was that the Washington State Patrol and their partnership with the Operation Underground
2 Railroad, Inc. et.al was increasing over-time income for law enforcement and playing on the tear
3 strings of Operation Underground Railroad, Inc's donors.

4 4.9 After each Net Nanny Sting Operation, the Washington State Patrol and Operation
5 Underground Railroad Inc., et.al would grab the airways and broadcast to the public and donors
6 about what a good job they had done arresting these men and saving these "fictitious children" to
7 increase donations and fund more overtime for all involved law enforcement personnel.

8 4.10 In February 2019, Detective Sgt. Carlos Rodriquez, MECTF, and City of Olympia
9 Officer Aaron Ficek conducted Operation Net Nanny 15 utilizing the SKOUT social media
10 platform.

11 4.11 Detective Sgt. Rodriquez created a fictitious profile account under the username
12 "Rowdy Rhonda720". The profile advertisement indicated that she was interested in "men and
13 women."

14 4.12 The ad stated the following:

15 "New in town. Single mom. I have three girls to share.
16 Looking for like-minded people that are into
17 ddlg/incest/young taboo. No curious wanted, Only
18 serious. Young fun. Taboo".

19 4.13 According to the Urban Dictionary, "dd/lg" is defined as "Daddy Dom / Little Girl.
20 DDLG, or dd/lg, is a relationship in which one person is the caregiver or "daddy" and the other is
21 childlike. **It is NOT a relationship between an actual father and daughter or any minor**
22 **child.**

23 //

1 4.14 DDLG is a sub-form of BDSM and KINK relationships that may or may not involve
2 sex, but often involves play with child-like things, such as stuffed animals, bed-time stories, and
3 spankings. The "lg" part of the relationship is often called the "little". A simple and quick
4 internet search demonstrates that this is the preeminent definition of DDLG.

5 4.15 It is widely known in the DDLG, BDSM and KINK community that DDLG does not
6 mean "daddy daughter little girl" and has absolutely nothing to do with sexual exploitation of
7 children. DDLG stands for "daddy Dom little girl", which is a known role-playing experience
8 among consenting adults.

9 4.16 Detective Sgt. Carlos Rodriguez was aware of this definition and alternative lifestyle
10 prior to placing the "Rowdy Rhonda720" ad. He was aware that DDLG was a term used for
11 lawful activity of DDLG within the KINK community in the State of Washington.

12 4.17 Detective Sgt. Carlos Rodriguez and Detective Kristi Pohl in an under compacity
13 communicated with Mr. Parker in the SKOUT platform and private test messages utilizing terms
14 and scenarios consistent with DDLG role play. Both Detectives had utilized similarly language
15 in previous Net Nanny Sting Operations and knew that a person responding to the undercover ad
16 may have a different understanding then the crime created in the mind of law enforcement.

17 4.18 During the State vs. Quentin Parker defense interview of Detective Sgt. Rodriguez
18 stated and confirmed that he knew DDLG was legal in the state of Washington and did
19 absolutely no follow-up to protect Mr. Parker from being wrongfully arrested and maliciously
20 prosecuted.

21 4.19 On February 17, 2019, Defendant Quentin M. Parker responded to the SKOUT social
22 media profile seeking to learn more about DDLG role playing between consenting adults. Mr.

1 Parker responded to the ad created and posted by Detective Sgt. Carlos Rodriguez. Mr. Parker's
2 SKOUT profile page states that he is interested in "women" and he was looking for "friends,
3 flirting, fun and chat." Mr. Parker continued to text with Detective Kristi Pohl.

4 4.20 Detective Sgt. Rodriguez admitted that he had erased all but the last SKOUT
5 messages between himself and Mr. Parker during an active criminal investigation. He did not
6 include this information in his written report in State vs. Quentin Parker.

7 4.21 Detective Sgt. Rodriguez claimed to have no recollection of the substance of the
8 missing conversations. He further stated that he had told Detective Pohl that he had deleted the
9 messages, but when Detective Pohl was interviewed, she made no such assertion.

10 4.22 Detective Sgt. Rodriguez stated that Mr. Parker's criminal case was not the only Net
11 Nanny Sting Operation case where he had deleted text message communications.

12 4.23 Mr. Parker agreed to meet with RowdyRhonda 720, who he believed to be engaging
13 in DDLG with an adult female and other adult female in a role playing and safe environment.

14 4.24 Instead, when Mr. Parker reached the location of the residence, he was invited into
15 the house only to be greeted with excessive force by Washington State Patrol Trooper Travis
16 Calton, Trooper Maurice Rincon, Trooper William Steen, and Trooper James Taylor of the arrest
17 team. The arrest team was heavily armed and dressed as a swat or armed forces team with
18 multiple guns and lights pointed directly at Mr. Parker.

19 4.25 Mr. Parker was arrested and taken to a Washington State Patrol office and
20 interrogated for almost (3) hours by Washington State Patrol Detective Darrell Noyes, and City
21 of Olympia Officer Aaron Ficek.

1 4.26 During the audio and video recorded interrogation, Mr. Parker repeatedly told both
2 Detective Noyes and Officer Ficek that he was responding to an advertisement profile for DDLG
3 and that it pertained to all consenting adult role playing a form of age regression and no actual
4 children were involved.

5 4.27 Mr. Parker even was able to get both Detective Noyes and Officer Ficek to look up
6 the term DDLG and they confirmed that the “urban dictionary” was consistent with what Mr.
7 Parker had been telling them throughout out the entire interrogation.

8 4.28 Detective Noyes and Officer Ficek knew that they did not have probable cause to
9 arrest Mr. Parker, and they did absolutely nothing to protect Mr. Parker from being falsely
10 arrested and maliciously prosecuted. They knew he was innocent but did nothing to make sure
11 that Mr. Parker was not wrongfully caught within the wide Net Nanny Net cast by the
12 Washington State Patrol, Detective Sgt. Carlos Rodriguez, and MECTF.

13 4.29 Mr. Parker was arrested and charged in Thurston County Superior court with
14 Attempted Rape of a Child in the First Degree (2 counts) and one count of attempted Rape of a
15 Child in the Second Degree.

16 4.30 The Washington State Patrol investigative reports presented to the Thurston County
17 Prosecutor’s office were untruthful, excluded exculpatory evidence and violated Washington
18 State Patrol written policy.

19 4.31 Former Thurston County Deputy Prosecutor Shawn Horlacher declared under penalty
20 of perjury in the probable cause statement that he personally had read all of the police reports
21 regarding the alleged charges against Mr. Parker.

4.32 Deputy Prosecutor Shawn Horlacher had a duty and obligation to make an independent judgment based upon the case facts.

4.33 Deputy Prosecutor Shawn Horlacher either was untruthful and did not read the police reports prior to charging Mr. Parker, or he intentional or negligently failed to investigate into the fact that the Washington State Patrol **advertised DDLG which is legal in Washington State** and Mr. Parker responded and showed up for DDLG among consenting adults and therefore no probable cause existed to charge Mr. Parker with any crime.

4.34 Once Mr. Parker was arrested, the Washington State Patrol, Detective Sergeant Rodriguez and the Operation Underground Railroad went on a public campaign to discredit and slander his name by calling Mr. Parker a “Dangerous Sexual Predators who targeted Children” prior to Mr. Parker being adjudicated through the courts with a conviction.

4.35 The Washington State Patrol and the Operation Underground Railroad continue to as of the date of the filing of this Complaint have slanderous statements posted about Mr. Parker being a Dangerous Sexual Predator who targeted Children even though all charges against him were later dismissed by the Thurston County Prosecuting Attorney's Office.

V. FIRST CLAIM FOR RELIEF

(42 U.S.C. § 1983--Illegal Seizure and Arrest and Monell claims)

Plaintiffs realleges 1.1 through 4.35 and incorporates them herein by this reference.

5.1. Plaintiff Quentin Parker has been deprived of his right to be free from illegal searches and seizures, in violation of the Fourth Amendment of the United States Constitution, under color of state law, in violation of 42 U.S.C. § 1983. The Defendants Carlos Rodriguez, Kristi Pohl, Darrell Noves, Travis Calton, Maurice Ricon, William Steen, James Taylor, and Aaron

1 Ficek actions toward Mr. Quentin Parker violated Mr. Parker's constitutional rights guaranteed
2 against state incursion by the Fourth and Fourteenth Amendments of the United States
3 Constitution due to the unreasonable seizure of his person.

4 5.2 The misconduct described in this Count was objectively unreasonable and undertaken
5 with willfulness and reckless indifference to the rights of others for which an award of punitive
6 damages is warranted.

7 5.3 At all times herein mentioned, the City of Olympia had a mandatory duty of care to
8 hire properly and adequately, train, retain, supervise, and discipline officer Aaron Ficek so as to
9 avoid unreasonable risk of harm to its citizens. With deliberate indifference, the City of Olympia
10 failed to take necessary, proper, or adequate measures in order to prevent the violation of
11 Plaintiff's rights. Officer Ficek, whose conduct is described above did not know what constitutes
12 probable cause to arrest a citizen because of inadequate training.

14 5.4 By virtue of the facts set forth above, and as a result of its policies, practices, customs,
15 and usages, the city of Olympia caused Mr. Parker to be deprived of rights guaranteed by the
16 Fourth and Fourteenth Amendments to the United States Constitution, specifically the rights to
17 be free from unreasonable seizures of his person and excessive force.

19 **VI. SECOND CLAIM FOR RELIEF**

20 **(42 United States Code §1983 -- Unnecessary Force)**

21 Plaintiffs realleges 1.1 through 5.4 and incorporates them herein by this reference.

22 6.1 The actions of defendants Washington State Patrol Troopers Travis Calton, Maurice
23 Rincon, William Steen and James Taylor and each of them in pointing their guns at Plaintiff
24 Quentin Parker and in threatening to shoot Mr. Parker deprived him of his constitutional right to

1 be free from summary punishment and excessive force and deprived him of his Fourth
2 Amendment rights, under color of state law and in violation of 42 USC §1983.

3 6.2 Defendants and each of them subjected Plaintiff Quentin Parker to such deprivations
4 by malice and/or a reckless and conscious disregard of plaintiffs' statutory and constitutional
5 rights for which an award of punitive damages is warranted.

6 6.3 The direct and proximate result of each defendants' acts is that plaintiff has been
7 forced to endure physical pain and suffering, mental suffering, and emotional distress, and has
8 had to incur medical and legal expenses. The conduct of each individually named and/or
9 unidentified officer was done in reckless and conscious disregard of the pain and suffering it was
10 bound to inflict upon Plaintiffs for which an award of punitive damages is mandated against each
11 individual officer.

13 **VII. THIRD CLAIM FOR RELIEF**

14 **(42 United States Code §1983 -- Failure to Prevent Civil Rights Violation)**

15 Plaintiffs realleges 1.1 through 6.3 and incorporates them herein by this reference.

16 7.1 The actions of defendant Washington State Patrol Troopers Travis Calton, Maurice
17 Rincon, William Steen and James Taylor and each of them in watching their fellow officers use
18 unreasonable force against Plaintiff and having the opportunity to intervene to prevent the
19 violation of plaintiff's constitutional rights, and failing to attempt to stop it, deprived Plaintiff of
20 his constitutional right to be free from the use of excessive force and freedom from summary
21 punishment, under color of state law and in violation of 42 USC §1983.

22 7.2 Defendants and each of them, subjected Plaintiff to such deprivation by malice and/or
23 a reckless and conscious disregard of his rights.

1 7.3 The direct and proximate result of each defendant's acts is that Plaintiff has been
2 forced to endure physical pain and suffering, mental suffering and emotional distress, and was
3 deprived of his physical liberty and has had to incur medical and legal expenses. The conduct of
4 defendant officers, and each of them, was done in reckless and conscious disregard of the pain
5 and suffering their fellow officers were inflicting upon plaintiff, for which an award of punitive
6 damages is mandated against each individually named officer.

13 Prosecuting Attorney.

14 8.2 Detective Sgt. Carlos Rodriguez, Detective Kristi Pohl, Trooper Travis Calton, Maurice

9.3 Detective Sgt. Carlos Rodriguez, Detective Kristi Pohl, Trooper Travis Calton, Maurice Rincon, William Steen and James Taylor acted with malice in drafting and false joint certifying official police reports which they knew to be false, incomplete and containing misleading information. 2 within the scope of foreseeable harm of Defendants' negligent conduct.

3 11.3. The distress suffered by Plaintiffs is a reasonable reaction given the circumstances
4 presented herein.

5 11.4 Plaintiffs has manifested objective symptomology of the emotional distress suffered as
6 a proximate result of the conduct, actions, and material omissions by Defendants.

7 11.5 As a direct and proximate result of the acts of defendants as complained of herein,
8 Plaintiff suffered great and grievous emotional anguish and loss of freedom and liberty and
